Suggested Daily Watering Schedule

Based on the last digit of your address, please adjust your irrigation to one of these times on your watering days:

- MIDNIGHT – 5:00 AM ODD ADDRESS
- 5:00AM – 10:00AM EVEN ADDRESS
- 2:00PM – 7:00PM ODD ADDRESS
- 7:00PM – MIDNIGHT EVEN ADDRESS

****NO WATERING FROM 10AM-2PM DAILY.** Water used during this time is often wasted more than it is beneficial due to evaporation in the heat of the day.

These watering times are effective year round. However, DWU may leave mains open if excess water is available (winter and summer).
